## NORWAY AND VICINITY

Mr. and Mrs. Winfield Seathorne of Auburn were at F. A. Hall's over Saturday night, returning to their home Sunday afternoon.

Mr. Brown, the trader at Stoneham, drove his automobile over Friday morning. Sled runners in place and wheels made "Lizzie" ride the hills and "thank you marns" easily. William Kneeland is working for the Grand Trunk with an extra construction crew located early in the week near North Yarmouth. He came home Saturday night and returned Sunday afternoon.

About sixty couples attended the American Legion dance at Norway Opera House, Friday evening. Other things going on the same night kept many dancers away and the usual large attendance was cut to a comfortable sized party. W. W. Gallagher went to Bangor, Wednesday, where he will attend the Republican convention.

Harold Bates of Empire Theatre, Lewiston, is pianist at Rex Theatre. George Locke was taken with a bad cold Monday forenoon near his home on Water street and was considered in a serious condition.

The boys at Norway High School who have their letters this year are True, Purinton, Stone, Crooker, Thompson, Ladd and Rice. The girls receiving the coveted letters are Jones, Hall, Foster, Green, Bartlett, Crooker, Mills and Hayden.

Howard Lasselle was home from Bath the week end. Mr. and Mrs. W. Sherman Rowe of Portland Forester are visiting Mrs. Rowe's father, Thomas Thibodeau. Mildred Curtis is spending several days at West Paris, the guest of Mr. and Mrs. L. C. Bates.

Katherine Jones and a classmate, Margaret Hill, from Bates College, are spending the short vacation with Judge and Mrs. F. J. Jones.

Ellen Prince, daughter of Mr. and Mrs. John Prince, has been ill and confined to her home this week. The channel is open from C. B. Cummings & Sons Co. lumber mill to Crocker's Bridge, but not enough water is coming to fill the pond above the dam.

Back has been discovered by the small fish with the marble bag and the game is in full swing. The members of Mrs. Elizabeth Sampson's Sunday school class of the Universalist Church are to have a masquerade social at the church vestry Friday evening. Proceeds to defray the expenses of the indoor athletic meet to be held by the school April 9.

Ned Truman's family were released from quarantine Tuesday. Four children had scarlet fever, one having serious trouble with sores in the throat and ear. Mr. Hattie Everett is visiting relatives in Haverhill this week.

Mrs. Allie Richards has returned from a visit among relatives in Mechanic Falls and other places.

Geneva Fogg, who has been at Lewiston the past few months, is stopping at Mrs. Alfred A. Everett's and assisting with the household while Mrs. Everett is employed in the shoe factory.

A. J. Stearns is a candidate for "District delegate" to attend the Chicago Convention next June and is at Bangor this week.

Mr. and Mrs. Bert Leonard of Waterville sent the week end with their daughter, Adelle Olmstead and Sadie Pennock. Belle Pennock, after being sick two weeks with the flu, is able to be around the house.

Ida Powers, who has been at the C. M. G. Hospital at Lewiston, is visiting her cousin, Adelle Olmstead and Sadie Pennock. She will go to visit at C. B. Leonard's in Waterville where her brother George is. He leaves Monday for Vermont where he will work.

Frank Witham is able to get out doors in the weather. He is suffering from rheumatism after being laid up some six weeks with flu and back ache. The electric power station has been running with water since Saturday. Ice is beginning to break up in the bog above Steep Falls and a clear channel will help matters soon.

Mr. and Mrs. Fred H. Cummings entertained at dinner Saturday night, Mrs. and Mrs. Frank Brett, Mr. and Mrs. Leon Curtis, Dr. and Mrs. H. L. Bartlett.

C. G. Verenis, the fruit dealer is making no preparation to peddle his wares this coming summer. Fruit is high with a narrow margin for profit and business at the store requires his whole attention. The Oxford Electric Club hold their monthly meeting at the club house in Ward S. Thursday evening. Business and sociability will occupy the time. No lunch this time.

"I have finished a 120 days' sentence in the shoe factory and now can roam the fields with rod and gun and shoot rabbits." Thus said Mr. W. Sampson last Monday. He was triumphantly bringing in a poor little white rabbit that had thus far survived the cold winter in Witt's Swamp. I feel that Mell should be sentenced to another 30 days in the shop.

Frank H. Noyes has left Daytona, Fla., on his return home. He plans on stopping at the following places: Jacksonville, Fla., Savannah, Ga., Columbia, South Carolina, South Pines, North Carolina, Richmond, Va., Washington, D. C., New York, Boston and Portland. He expects to reach here the last of April. For four years Harry Lovejoy has worn the same pair of red legged rubber boots which annoy me greatly. I wonder if they will ever wear out! Freeman Smith the brick mason, has painted his white and has become a good citizen in my estimation.

George Bennett, the painter is doing stripping at the Mason Manufacturing Co. on a rush order. He works there only a part of each day.

## NORWAY HIGH AT BASKET BALL

Norway High school quintet closed the basketball season, Friday night, March 12 after a successful season. The schedule has been a fast program introducing basketball. Norway has a team receiving the undivided support of the community with paid admissions and words of commendation.

Principal Albert C. Parker's system of coaching and strategy has worked successfully against professional methods, placing the Norway outfit among the leaders in their class for the state. Serious accidents fortunately have not occurred which is a point well to consider in view of breakneck speed with an attendant roughness developed during the last of the season.

Several visiting teams racing for state honors, finding the Norways a gamey bunch started a run of catch-and-throw style. Norway proved equal to the occasion and lived up to the expression "when among the Romans do as the Romans do." So far as the sporting editor can learn only one team complained because "Parkers' speed boys" were not playing a "you first my dear Al" game.

The boys have worked brilliantly with a speed not anticipated when the call went out for candidates. Gray matter with interlocking team work has characterized their winter performances. Individual stalling was given up for tactics beneficial to mass playing.

Referee Barb Austin, the hustling official during the home contests should not be forgotten. His work has proved highly satisfactory to Norway fans and contestants. A fairness to all has been noticeable. Being a live one and right in the midst of every play, undue roughness without a penalty was trimmed to a minimum without slowing down a speedy battle. Referee Austin has earned the medal for keeping business moving with no dead minutes for stalling in any period.

As mentioned before serious accidents have not occurred, but every player is battle scarred and should be pensioned now peace is declared. Capt. Jimmy True received a knock out in the Edward Fiddle game on Feb. 27 and lost the last two contests while nursing painful sores. Other players have been practically "all in" but continued to "stuff it out" and take their harsh medicine especially during the Edward Little and Portland High games.

Capt. True had 33 free tries at the fowl line. He caught 14 and missed 24. Purinton got 13 chances on the line and secured 3 points. Rice was given a single chance and made the point. One hundred and nine fouls have been called on Norway. No record is made in the summary of work performed during the forfeited game at Gould Academy. We give it here: baskets from floor, Purinton 4, True 2, Crooker 3, Stone 3. Port baskets for True, 3. Each team had two fouls called against them.

Donald Rice as sub. appeared four times in the line-up at intervals carrying from ten to twenty minutes. Illness during the last two games prevented him taking a regular position during Capt. True's enforced absence.

## Levey M. Cox of Norway and Lillian E. McAllister of South Paris were married Tuesday evening at the home of Mr. and Mrs. William Card of Norway.

The ceremony was performed by Rev. F. A. Sullivan of the Methodist Episcopal Church, the single ring service being used, and only the families of the bride and bridegroom attended.

The bride is the daughter of William McAllister of South Paris and the groom is the son of Lenden M. Cox of Fair street, Norway. Mr. Cox served during the late war in the 26th Division, having enlisted in Co. D, Norway. He is employed at the Mason Manufacturing Co. The couple will reside in Norway.

Rev. F. A. Sullivan has been spending a few days in Biddeford. William Lebrock returned Monday to the training room at Carroll, Jellerson Shoe Co., after leaving some time since for the C. B. Cummings & Sons Co. J. G. Martin returned Tuesday from Haverhill, Mass., where he has made shoes during the winter.

The combination of Fred Barnes and little George Verenis clearing ice from the sidewalk opposite Norway Cash Market and Verenis Fruit Store attracted attention Wednesday. Young George worked with a small stove shovel while Fred bossed and leaned on the axe handle.

James Wright has accepted a position with Clarence Edillon, the ski maker at West Paris and commences Monday. It is understood snow shoes are to be manufactured there and Mr. Wright will have charge of the factory.

## Birch Throws Powerful Italian

Birch, the smiling Finn of South Paris, won the second and third fall in a finished match with Danto Cortini of Lawrence, Mass., at Norway Opera House Tuesday evening. Sullivan of Waterville and "Red" Perham of West Paris looked on an hour to a draw in a match expected to be staged best two in three. Both worked hard the entire distance, but nothing indicated a breaking of the deadlock and referee Harry Katron awarded the spoils 50-50.

Manager Stairs played the show with a main bout in two chapters, no preliminaries or semi-finals being carded. Sullivan was a corker and Harold Perham was a corker with his strength and knowledge, but Sullivan was the defensive and only at short intervals gave evidence of a desire to press matters. He worked fast and kept away from dangerous places with surprising skill. Perham was a corker with his strength and knowledge, but Sullivan was the defensive and only at short intervals gave evidence of a desire to press matters.

The Birch and Cortini match lasted about thirty minutes, actual wrestling time. Both men looked the part of sturdy athletes and made good when with mat strategy and worked for advantage in a steady manner during the opening chorus. Both made hair-breadth escapes, but Birch went into a neck scissors which held fast until the end came with Cortini applying the squeeze. Time of first fall 15 minutes.

Birch and numerous followers protested the hold, arguing in favor of the "strangle" which is barred. Referee Katron was immovable as the Sphinx and the fight went on record.

The smiling Finn started a general advance along the whole front in the second round and had the Italian champion cornered for defense. Apparently somewhat touched by the neck pressure received in the first fall, Birch let her-out after a notch or two and speeded up the match. Action every minute brought the crowd to its feet with honors a trifle in the Finn's favor. Cortini slipped from a body scissors into a bar and wrist hold from which he couldn't escape. He received punishment before giving up his powerful antagonist in a losing battle. Cortini was unable to rise from the mat for several seconds after the decision.

Four minutes and thirty seconds rapid work by Birch gave him the last bout and match. Cortini's statement to the spectators that one wrist was practically useless, but would wrestle if the house demanded. A demonstration in the affirmative set the mill grinding but not on a long run. Birch pulled the strings during the brief session and the Italian stuffed it out, apparently suffering from the harsh treatment of the second round. Birch won the fall with the same wrist lock but served up lighter punishment than in the previous round.

Mr. and Mrs. Wilfred G. Conary spent the week end in East Stoneham. Mrs. Ida Ray of North Waterford is visiting at the home of her son, Samuel Ray, on Whitman Street.

Mrs. M. O. Balfors, who has been ill for the past few weeks, went to Lawrence, Mass., Monday, to spend a few weeks before the opening of the spring term. George W. Holmes returned from Portland, Monday afternoon, where he has been for the past ten days with Mrs. Holmes at the Eye and Ear Infirmary. Mrs. Holmes remains quite comfortable at this time.

Clara Schuer has returned from Everett, Mass., where she has been several weeks with her sister Mrs. Frank Barker, who has been seriously ill with pneumonia.

Harry Katron, the wrestler, of Portland was in town Tuesday and acted as referee during the matches at Norway Opera House in the evening.

Freeland Bolster opened his marble shop on Lynn street this week. Virgil Plant, assistant, has been working in Portland, assisting in the marble shop. The way to set several monuments completed last fall, at the earliest date after snow leaves.

## More Past Basket Ball

Prominent local sportsmen led by "Billy" White are behind an independent basketball team to represent Norway during the next few weeks. The scheme is not to grasp money as the backers have coin a plenty, but to bring here and introduce speedy teams, known by their deeds to be the real thing.

The local quintet will include from Norway High School, Stone, Thompson, Ladd and Rice. Others may be drafted as the seasons progresses. Billy Marcotte and "Dyke" Young of Haverhill, Mass., will complete the outfit. Marcotte is one of the best high school players in New England and can work at any angle. Young has been this season with the Haverhill Legion Team, a bunch not defeated against a brace of excellent performing performers. They expect to play their regular positions.

The Wessels of Auburn appear at Norway Opera House Saturday evening March 27, for the first attraction. Game called at 8.30 and a fast battle is anticipated. Some scrappy boys are the Auburnites. Dancing follows with the Imperial Singing Orchestra present.

Elizabeth Crockett Blake Tent, No. 8, will hold their regular meeting Friday evening at K. P. Hall. There will be no work and the members will not need to bring refreshments.

C. O. Barrows of Stow is planning on selling his farm in that town and moving to Norway or South Paris. He wants to get where there are good schools for his children. He was in town this week looking at some places that are for sale. He has lived 33 years in Stow and has been selectman and treasurer for several years.

Some unprincipled scoundrel remembers us with a wicked picture relative to returning spring Saturday. Just as though we didn't know that big ones are now being caught at the Boals Tavern and in other loafing places.

## High School Notes

Superintendent T. C. Morrill has been appointed as inspector for the Bible Study classes of Norway and South Paris. The pupils of these classes are of high school age and are to receive college and high school credit for the Bible study done in the Church Sunday schools. The plan has been organized by the State Department of Education in union with the four Maine colleges. The plan does not involve the use of public money in the conduct of these Bible classes, but simply grants certain credit toward admission to college. The inspector is to visit such classes twice a year, help in the organization and report same to the State Department. The State Board of Control for Bible Study is composed of Principal L. E. Moulton, Edward Little, Auburn; Professor H. R. Purington, Bates College; Superintendent W. D. Fuller, Portland; Professor W. B. Mitchell, Bowdoin College; State Agent J. W. Taylor.

It is estimated that the Parent-Teachers' Association will have made \$23.35 on the Maine Lecture as soon as all finances are computed. This money will be placed to the credit of the Association. In selling tickets for the lecture the fifth grade led in sales amounting to \$19; fourth grade, second with \$11; the third grade, third with \$8.50. The total receipts were \$71.85. Expenses were \$43.50, leaving \$28.35 as a balance for the Parent-Teachers' Association.

In a campaign for typewriting being The Annual Business Shop Company of New York is to hold sectional school contests in Boston, New York, Chicago, San Francisco and other large cities of the United States, in accordance with the International Typewriting rules. The contest for New England will be held at Simmons College, Boston on May 1. Any school in this section may enter one or more students who have not had instruction on the typewriter previous to September 1, 1919. To the school entering the winner of the contest will be given a silver trophy to be held by the school until the next New England contest. To the pupils securing the first ten places will be awarded gold, silver and bronze medals to the first, second and third, respectively, and bronze honor medals to the next seven.

Norway High school has been represented in athletics, debates and speaking contests; and now plans to use a part of the proceeds of the Maine Lecture to defray the expenses of representing the school at this first New England Typewriting contest. As soon as the nature of the contest was explained to the Junior class—the only class eligible—the whole nineteen typists entered into the drill work with such enthusiasm that excellent results are already being secured.

The total receipts at Oxford for the Hawthorne lecture were \$55.35; and the expense, were \$25 for lecture, \$8 for hall and \$2.35 for advertising, Norway having a net gain of \$28.00. The money is being used for a gift to France of a memorial on the Marne to commemorate the gallant stand of the French army in September, 1914, when the Germans were turned back. The monument will be similar to the Goddess of Liberty, and will be dedicated by America's greatest sculptor, Frederic MacMonnies. It will cost \$250,000 which will be raised through many small subscriptions and a large number of donors. Pennies, nickels and dimes are sufficient. The State Department is anxious that every school child in Maine shall have the opportunity to contribute his mite toward this magnificent undertaking. The first of the spring term, teachers are requested to place boxes at their desks to receive such contributions. The Maine Donation is hoped to be enough to amount to one penny per pupil.

A proficiency certificate was won by Emma Henley, class of 1920, this week by writing forty-five net words per minute for ten minutes on the Underwood typewriter.

Mrs. W. Herbert Robinson  
Mrs. Minnie K., wife of Herbert Robinson, died at her home in Yarmouth, Sunday, March 12, at the age of 60 years. Mrs. Robinson had been a great sufferer for a long period, but her final sickness was of short duration.

She bore her suffering very patiently and without complaint and by her lovely disposition endeared herself to all who knew her.

She was a member of Winnegance Church, No. 119, O. E. S. and the Woman's Club.

She was the daughter of the late Oliver P. and Betsey Jane (Cummings) Cummings of Paris. She leaves a husband and one daughter, Grace, wife of Philip H. Hedges of Yarmouth.

The funeral was held on Wednesday and the remains brought to South Paris for burial.

Mrs. Robinson lived in Norway several years and was a prominent worker in the Universalist church during the late city. She was a devoted mother and was closely associated with the local and county W. C. T. U. during her residence in Norway.

## Remain Until Married

We recently received the following which is self explanatory:  
"I have only had three girls in eight years, they only leave me to be married. I am very anxious to get another nice girl of same stamp as I have a nice home and I want to get some reply. I need someone so much and am sure the right girl would be happy here."

If any of the girls who read this and want the place and will agree not to get married too quick we will give the address of the Portland lady.

The Loyal Order of Moose, initiation, installation and supper held Friday evening was a strong drawing card. A large number of members living at some distance attended and the evening was a pleasant one to all.

Read the intelligence ads on pages 8 and 10. They are many and varied. Let your wants be known.

Mrs. Hiram Willes is visiting her sister, Mrs. W. M. Lowe of Bethel. She is to return Friday.

## Horace Mixer has four maples opposite his residence on Real street tapped and producing sap. With the cost of syrup on the high shelf this scheme is not so bad after all as a money saver.

Two teams from the shoe factories will stage a preliminary show during the Norway Vassits game Saturday night. Both outfits are practicing in dead earnest and mean business from the first whistle.

"Cubby" Starbird's athletic rooms at his boarding house is the mecca for a large fraternity interested in boxing, wrestling and basketball ball. Several aspirants for mat honors work there nearly every evening. Fred Banks, an exponent of the fistic art is training Al (Spike) Ledger for a mill at Lewiston sometime this spring.

Freeman Smith, the mason, has been topping out chimneys the past two weeks. Extensive repairs and alterations in residences the coming summer are indicated by a general call for information and estimates.

Ed. Rich furnished transportation for a large party from Norway to Bangor for the American Legion dance at South Paris, Tuesday evening. A large gathering from South Paris anxious to watch the wrestling at Norway Opera House, but not fascinated with the hiking, was accommodated by the same outfit.

A democratic caucus will be held at the Municipal Court Room, Saturday evening, March 27 at 7:30 to elect delegates, a town committee, etc.

Israel Klain, the shoe man of Berne, N. H., was in town this week on business.

Tuesday and Wednesday were warm days for March and the snow melted fast. Maximum temperature in the shade recorded between 60 and 70 degrees.

The young men of the N. H. S. basketball team have been invited to a banquet to members of the N. H. S. girls team at the Albert Cafe, Friday evening. Principal Albert C. Parker and Ruth E. Brown, who had coached the teams were also the guests. Twenty covers were laid with a centenary of carnations. Dainty souvenir menu cards were at each place. After the banquet brief speeches were made by Capt. Stanley True, Donald Rice and others. Mary Jones in behalf of the girls team presented a set of book stops to Miss Brown. Orin Stone, manager of the boys quintet gave Mr. Parker a solid gold penknife in behalf of his team mates.

Harry Rust Women's Relief Corps No. 45, held their regular meeting, Thursday evening and exemplified the work on one candidate. It was voted to serve a public dinner Thursday, April 15 at Woodman Hall, the proceeds to be used in Memorial Day expenses as the fifty dollars appropriated by the town is not sufficient. The committee in charge includes Mrs. Sadie Lapham, Mrs. Margaret Dyer, Mrs. Annie Beck, Mrs. Vera Kilgore and Mrs. Grace Whitman. A committee from the Daughters of Veterans will assist and they in turn will serve a dinner in May assisted by the corps. It was voted to donate the proceeds from the mystery hunt at each meeting and also from the penny socials to William Henry Stone Post, American Legion to help them procure the furnishings for their lodge rooms.

They say of a certain man I know that he is stingy. I confess I mind their like stingy people. They mind their own business a good deal, and you never find them in the poor house, which is the final refuge of many Live Wires and others who are friends of Everybody Except Themselves.

In this selfish world stinginess is not a bad quality. A stingy man always does a good deal for his own folks, and when a man has money, others can manage to get a little of it. A generous man rarely has anything to give away.—E. W. Howe.

ings for their lodge rooms. This will be handed over as often as five dollars is accumulated. The mystery box was drawn by Mrs. Lizzie McAllister and amounted to eighty-eight cents. The charter was drawn for 30 days in memory of Mrs. Sylvia E. Edgcomb. Following the lodge session a penny lunch was served in charge of the entertainment committee and about three dollars was raised. Visitors were present from George M. Knight Corps, Waterville.

Norway Grange will meet in regular session Saturday when a picnic dinner will be in order at noon. The meeting will be called to order promptly at 1 o'clock. Visitors are welcome, as there is a large amount of business to be transacted before the time is turned over to the contest captains who will present the first program in the contest, Mrs. Minnie Herick and Mrs. Ethel Dunn having charge. The judges in the contest are Mrs. Louise Gammon and Mrs. Addie Danforth. A delegation of about 30 attended the all day session at South Paris Grange last Saturday which was a most enjoyable occasion.

An addition is being put on the upper story at the W. P. Tubb Co. for a filling room. The regular filling room and machine room are to be united on account of increased business. T. F. Moreau & Co. of Lewiston are doing the work.

The stitching department at the Carroll, Jellerson Shoe Co. are taking it easy this week to give the lasters a chance to bring their department up to date. The room will soon be in operation with the regular crew.

Mrs. Ruth Cox, Fair street, has arrived home from the St. Marie General hospital, Lewiston, where she has been for treatment.

Thirty-five and more signers have been secured for the Women of Mooseheart Legion, No. 37 to be organized Friday evening. Past Dictators, Edward Gammon and Arthur H. Welch and Sec. Asa Richardson of the Moose have received commissions to install officers and complete any arrangements necessary to give the new order a successful start.

Joe Dyer has been laid up more than three weeks with an injured leg. The accident was caused by stepping on an iron hoop and being thrown some distance. He can walk short distances, but will be unable to return to his work for a week or more.

## BE OPTIMISTIC

Here's Good News for Norway Residents

Have you a pain in the small of the back?

Headaches, dizziness, nervous spells?

Are you languid, irritable and weak?

Annoyed by urinary disorders?

Don't despair—profit by Norway experiences.

Norway people know Doan's Kidney Pills—have used them—recommend them.

Here's a Norway resident's statement:

Mrs. Myrtle Payne, Main St., says:

"A few years ago I was having pains across my back and kidneys. This annoyed me very much and on stooping or lifting, I felt the pains more. I found Doan's Kidney Pills good for this trouble.

As I used them, the pains gradually lessened and soon I was practically free from the trouble. I feel that Doan's Kidney Pills are entirely worthy of my recommendation."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Payne had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 49-50

Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. It is less the inflammation can be reduced and this tube restored to its normal condition, hearing will be restored forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces.

Hall's Catarrh Medicine acts through the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free.

## WILSON'S MILLS

Blizzard Lost Life

A sad tragedy was that of the fierce storm of Saturday the 6th. Five men started from Spaulding camp on the Cuscutup for the Long Pond camp on the Magalloway. They found shelter in DuMar's old camp with no means of making a fire, no food and frost bitten. A lad of sixteen offered to go to Long Pond for help. A man supposed to be the camp in the blinding snow storm and was found dead in one of the two sled roads nearly in sight of Murray's camp on the Diamond several days after. The men belonged in Canada.

Leon Bennett and Elwyn Storey are putting in ice, also Axel Wilson and Robert Storey.

Mrs. B. N. Storey was a guest of Mrs. Ernest Bennett, recently.

On account of the bad weather and consequent bad roads school has closed. Spring term began March 22.

At Magalloway Plantation the school is having a fortnight's vacation.

Robert Storey went to Errol Friday for a load of sawdust to pack his ice in.

## Give Me a Friendly, Natural Hand-shake

an' a friendly natural tobacco. Keep yo' put-on airs an' "sauced-up" tobaccos for the fellow that likes nut sundaes better than home made pie—

So says a friend of ours named Velvet Joe. And he just about hits the nail on the head.

Velvet is made for men who think there's no smoke like real tobacco. If you are that sort of man, listen:

Velvet was born in old Kentucky, where more than one good thing comes from. It was raised as carefully as any other Kentucky thoroughbred. But the real secret of Velvet's friendly qualities is its slow natural ageing in wooden hogsheds. Ageing in the wood never hurt anything—and least of all, tobacco.

And so we say, Velvet is good tobacco—nothing more or less. It runs second to none.

The picture of the pipe on the tin needn't keep you from rolling a jim-dandy cigarette with Velvet.

### UPTON.

The Most Striking Event of Upton The Ladies' Aid of the town of Upton have certainly made their meetings very popular and interesting this winter. Owing to the fact that the Ladies' Aid building could not be comfortably heated, the meetings were held at the homes of the members, each member taking their turn entertaining. The first meeting was held December 4 at Mrs. H. W. Whitney's at which a vote was cast to meet every two weeks and on a Thursday during the cold weather. Regardless of the rough weather we are pleased to say that our Aid has never had a holdback, as we have been able to meet every two weeks with the following members: Mrs. H. W. Whitney, Mrs. S. F. Peaslee, Mrs. Carrie Lane, Mrs. Hollis Abbott, Mrs. Rena Lane, Mrs. Aldana Brooks, Mrs. Charles Chase, Mrs. Henry Euman.

While all the previous meetings were considered events never to be forgotten, all the members have concluded that the most striking event occurred at Mrs. Henry Euman's, Thursday, March 11. We met there at 2 o'clock and twenty-six people were present; the oldest being 67 years and the youngest 3. All were especially pleased to see both Mrs. Hollis Abbott and Mrs. Warrington Bartlett, Mrs. Abbott having been ill for three

weeks, not being able to attend the previous meeting and Mrs. Bartlett having been unable to attend any of the previous meetings, perhaps on account of living in a remote village in the hills. Mrs. S. F. Peaslee, our oldest member and Mrs. S. F. Peaslee were ill. Their jokes were missed and the large amount of cake and pie generally consumed by them was reserved to feed several others.

As this was one of our meetings to finish up work, there was not enough to keep so many busy, so things were finished up by part of the circle and games and music was arranged for the rest. Mrs. J. O. Douglass, Helen Abbott, Leona and Winona Fuller entertained with piano solos, followed by singing.

The chief game of the day was cribbage, which was enjoyed by Mrs. Ed. Warren and Henry Euman, partners against Mrs. Charles Hubbard and Mrs. John Angerville, the latter being the winners which resulted in skunking their opponents.

A very enjoyable afternoon was passed followed by a delicious supper. A large table was spread for seventeen people, the hostess sitting at the head of the table with eight ladies on each side of her. The supper consisted of baked beans and brown bread, pickles, potato salad, bread and butter, raspberry preserves, five different kinds of cookies, four different kinds of cake, a delicious Washington cream pie and coffee. Everyone ate generously. Mrs. Brooks partook of nearly everything and as Mrs. Rena Lane sat close beside her, she eventually tried to do the same. Being unable to keep up with Mrs. Brooks and still determining to consume as much food she filled her pockets. All concluded that Daisy ate enough to last her until her husband came home, Saturday night. Mrs. Hubbard was sort of placed in a corner and what she ate was too enormous to tell. We hoped Aunt Mary would not be sick, but they were afraid as she drank so much coffee.

It was very lucky for Mrs. Enoch Abbott that a team came for her as she partook so generously that it would have been an impossibility for her to walk home. It was considered that if Von usually ate as much as she did for her supper it would not take her long to tip the scales with Bill.

All the rest of the ladies ate as much as they could. No one left the table with an empty stomach as our waitress, Henrietta Euman, kept the dishes well filled. The second table was served with equally as much interest.

Many thanks. All are looking forward to the time when Mrs. Henry Euman will entertain the Ladies' Aid again.

### PORTER

#### James Anderson Black

James Anderson Black died Friday, March 12 at 6 o'clock p. m. at the home of his daughter, Dr. Laura Black Stickney, at Saco of valvular heart trouble, age 71 years, 1 month, 9 days. Mr. Black had been in poor health for some time and about ten days before his death his daughter persuaded him to go to her home where she could more easily watch and care for him. He seemed apparently to be improving in health. The afternoon of his death he had gone out to the barber's near by and on his return he was sitting in a chair waiting for his supper. He had been sitting there but a few minutes when his daughter entered the room and on examination she found life extinct.

The remains were brought to Kezar Falls, where the funeral services were held at the M. E. church, Monday, March 15, at 1 p. m. Rev. Cyril H. Hughes of Woodfords, officiating. Frank Pendexter, Ashley Weeks, Herbert Ridlon and Chas. Garland were bearers.

Mr. Black was born in Porter, Feb. 2nd, 1849, the son of John Black and Mary Anderson. He attended the public schools of Porter until he was 16 years of age, when he went to Lynn, Mass., to work in a shoe shop. While in Lynn he took a business course in a night school.

At the age of 26 years he returned to Porter, where he married Dora L. Fox, daughter of Stephen P. and Laura J. Fox. After his marriage he went to care for his father and mother on the home farm in Porter, where he lived until their deaths. He purchased a large farm in Moultonboro, N. H., living there for 20 years. Then he returned to the home farm in Porter, which he had kept in his possession, spending the remainder of his days there. While Black lived at Moultonboro he was first selectman for 8 years and after his return to Porter he held the same office in that town. He was a member of the Ossipee Lodge, Knights of Pythias of Kezar Falls.

Mr. Black is survived by three children, one son, Orion J. Black of Porter and two daughters, Dr. Laura B. Stickney of Saco, and Mrs. F. C. Gove of West Roxbury, Mass., one sister, Mrs. Marcia Palmer of Kezar Falls and three grandchildren.

Mr. and Mrs. Frankie Weeks and two children have moved onto their farm, known as the Colcord farm, for a short time to make maple syrup and sugar. Clifton Lord is also helping them.

Harbert D. Chapman has bought Richard Parker's farm.

One of Chas. Lewis' horses had a narrow escape on Monday, March 15. Mr. Lewis was hauling a load of wood to the Falls. When he was passing the Cole school the horses had to go through a stretch of deep water. One of the horses fell and but for the timely assistance of three other men who happened to be nearby the horse would have surely drowned. As it was at one time it looked doubtful if the four men together could save the horse, but they finally won out.

One morning recently when John Braden entered his barn to attend to his chores he found one of his oxen dead in the stallion. When Mr. Braden left the ox the night before he seemed in good health, so Mr. Braden can't account for his death.

Samuel Wescott has been taking care of James Black's live stock during Mr. Black's sickness and since his death.

## Backward Pupils

You are anxious to give your child every advantage at school, but how about his eyes? Perhaps he is going to be handicapped for lack of glasses.

No boy can do well in school who cannot see distinctly. A case of that kind came under our observation last year.

Teacher said he was stupid and dull—he did not do well at his lessons. We examined his eyes and found he couldn't see the writing on the blackboard. Glasses changed everything—soon he was leading his class.

Most backward children have poor eyesight. How about your child?

### IF IT'S YOUR STOMACH

### IF IT'S YOUR KIDNEYS

Do not delay a moment. Kidney troubles are dangerous. That weak or aching back, those rheumatic pains, that scolding, scanty or too frequent urination, means deadly URIC ACID in the system. Heal the kidneys and they can resume their duties and filter out this insidious poison.

**DEWITT'S KIDNEY & BLADDER PILLS** are recognized as the best remedy in the world for kidney diseases. They are healing, antiseptic and wonderfully effective. Many base imitations of these wonderful pills are placed on the market by unscrupulous manufacturers, who even try to imitate the blue effect. Avoid such worthless imitations. Be sure that you get the genuine. Sold everywhere at 50c and \$1.00 per bottle. *Accept no substitute.*

You cannot afford to neglect it. Stomach troubles, such as Dyspepsia, Indigestion, Heartburn, etc., cause infinite suffering and mar many thousands of lives. Give Nature a chance and your Stomach a vacation. Let

## Paint and Varnish

Spring is here and also cleaning and painting comes with it. You will need paint and varnish to make everything look nice and clean. But you must have good paint and varnish to do it.

We sell Bay State Paint for buildings, inside and outside, for barns, outbuildings, roofs, etc. This is a No. 1 grade of Paint made from the best of materials. (Proportions adjusted by experience and scientific adaptation to New England conditions). Bay State Paint will cover about twenty-five percent more than ordinary paint mixed by hand.

Chi-namel Varnishes are the Quality Finish for everything in the home. One test of Chi-namel Finishes upon your floors, woodwork or furniture will confirm their sheer merit, which has earned their enormous sale at home and abroad since their introduction fifteen years ago. They are the easiest for amateur or professional painters to apply, because they are self-leveling, hence leave no laps or brush marks. Chi-namel Varnishes never chip, crack or show white scratches and never show heel marks. Chi-namel is the easiest compound to do graining with on the market.

These Paints and Varnishes are sold by

### RESOLUTIONS OF RESPECT

Death having entered our midst and borne to the Great Beyond our beloved sister, Ella C. Elliott,  
Whereas Evergreen Rebekah Lodge T. O. O. F., realizing the great loss it has sustained by the death of our sister, and the greater loss sustained by those nearer and dearer to her. We commend them to their Heavenly Father in this hour of trial. Our departed sister was a Past Noble Grand, a member of the Rebekah Assembly of Maine and acted as a Conductor of the Degree Staff of this lodge for eleven years. She was always ready with willing hands to help in the upbuilding of our order.  
Therefore be it Resolved: that we ever cherish her memory, the kindly words she has spoken, the helpful example she has left for us to emulate.  
Resolved: that a copy of these Resolutions be sent to the bereaved family as a token of our sincere sympathy, also a copy sent to the Norway Advertiser for publication, and one inscribed on our records, and that our Charter be draped for three days.  
O City of peace; in thy palaces fair,  
Loved faces and forms we can see;  
And sweet voices float to us thru the calm air  
That whisper, "We're watching for thee."

### BRYANT'S POND

Teams have been engaged for several days hauling pressed hay from the Mann storehouse to West Paris. The hay had been recently bought by Henry Fifield. Hay is scarce in our town and some lots have been sold as high as forty dollars per ton.

The spring term of the schools in North Woodstock village and at South Woodstock are now in session.

Leslie Abbott and Clarence Perham left this week for Newcastle, N. H., where they are to be employed making changes and repairs on a large summer house in that town.

Carl C. Dudley and Phillips Brooks were in Portland Tuesday to witness the boxing match between Paul Doyle and Eddie Shevlin.

Several of the summer cottages have been broken into recently, and deputy sheriff Billings has been investigating the breaks.

The Trackmen's Union held a special meeting Saturday evening at the V. I. S. hall. Supper was furnished at the grange hall by the Sisterhood.

James M. Day, Frank P. Cole and G. W. Q. Perham are in Bangor this week as delegates to the Republican State Convention.

Edwin Perham, Roger Lappin and Homer Furum are in town on a week's vacation from the University of Maine.

### OXFORD

#### Damaged by Fire

The residence of Dr. William B. Haskell was partially destroyed by fire at 8 o'clock Tuesday morning. The blaze is believed to have caught around the chimney on the second floor. The local fire fighters were aided by the employees of the Robinson woolen mill with two lines of hose. The loss will be about \$2,000, partially covered by insurance.

#### Congregational Church Notes

Services Sunday morning will be in keeping with the Palm Sunday thought. The subject of the discourse will be appropriate to the day and special music by the choir will be rendered, Sunday school at the close of the service.

Junior C. E. in the vestry at 3 p. m., subject, "How to live with other people," leader Beatrice Drake.

Senior C. E. at 6:30 p. m., subject "Our Country's Need of Christ," leader, Josephine Chase.

Evening song and praise service at 7:30, subject, "The Sin Cure, How to Receive It," music by the chorus using Billy Sunday hymn books.

The Choral Club will meet with Philip F. Stone, Thursday evening at 7:30 and every member should make an effort to attend.

Mid-week service in the vestry, Thursday evening at 7:30. Lesson studied in the quarterly last Sunday will be taken up.

Easter Concert in the church auditorium next Sunday evening and an appropriate program is being arranged. The union concert with the Methodist church could not be worked up in a manner satisfactory to the committees owing to the limited time and various causes effecting the assembling the necessary talent.

Oxford County Association of Congregational churches will meet with the South Paris Congregational church on April 6.

Rev. M. O. Baltzer and Rev. C. W. Rogers were in Waterville on Wednesday in connection with the Inter-Church World Movement. A good financial drive in behalf of this movement is on the last of April and first of May. It is nation wide and takes in 31 Protestant denominations. The quota for Maine for Baptists is over \$400,000, Congregationalists' quota is \$75,000. The Methodists have raised a large part of their quota.

#### Methodist Church Notes

The subject of the morning discourse for next Sabbath will be "The Great Question." In the evening the theme will be "The Seven Great Sinners."

Tuesday evening a large number were present to discuss the plans for remodeling the church. Several plans were considered. Great interest was manifested in the several propositions presented. The meeting was adjourned till next Tuesday when everybody interested is expected to be present, as at that meeting the proposed cost of the repairs will be presented and the definite plans accepted.

The Junior League will meet in the church vestry at three o'clock, Sunday afternoon.

The Epworth League will meet in the vestry at six-thirty, Sunday evening. The leader will be Helen Dunn, subject being "Our Country's Need of Christ."

The Sunday school will meet at the close of the morning service. Everybody is requested to remain.

The regular meeting of Tuesday evening will be given over to the church for the discussion of the reconstruction. The regular class meeting will be held on Friday evening as usual.

#### Baptist Church Notes

The Busy Bees were entertained St. Patrick's night at the home of Mrs. R. O. Porter. The time was spent with games and music. Refreshments in keeping with the day were served.

Christian Endeavor, Thursday evening. Subject, Every-day courtesies, leader, Grace Gammon.

Sunday afternoon Rev. G. H. Newton will take for his subject, "The Lord, like a father." Sunday school at 8:15.

#### Universalist Church Notes

Rev. C. G. Miller will take for the theme of his sermon Palm Sunday, the fourth article in the Universalist Creed, "The Certainty of Just Retribution for Sin."

The Ladies' Sewing Circle will meet Friday, March 26, with Mrs. B. G. McIntire for an all day session. The hostess will furnish the substantial part of the dinner, and others to bring what they please.

The Norway and Paris Transfer Co. expect to start running the auto bus, Saturday morning with Leonard Sessions at the wheel. Weather conditions may upset the plans but Wilson Walker says it is possible to get through auto service between the villages commences on that date.

The Browning Reading Club held their annual social evening, Monday, at the home of Mrs. James N. Faver, Pleasant street. A good number attended and the time was passed with a variety of games and delicious refreshments were served in a large variety.

Mrs. P. H. Nevers, Mrs. Elton Brown and Carrie Tucker attended the dinner served in the First Congregational church at Norway Center, Wednesday.

Henry Siegel has retired from shoe making and returned from Keene, N. H., Thursday morning. He will start out on his team when wheels can be used.

Lake Temple Pythian Sisters' Sewing Circle will meet at K. P. Hall, Saturday at 2:30 p. m. to tack five quilts. Members will bring thimbles and needles. A picnic supper will be served at 6:30 when beans and hot coffee will be furnished. A social follows for the sisters and brothers. The committee in charge comprises Mrs. Mary Kimball, Mrs. Grace Pike, Mrs. Maud Spiller and Mrs. Edna Thompson.

It takes a smart man to be a public official these days. No one of ordinary intelligence could grind out the daily excuses for inaction without repeating.

## TWO YEARS IN BED and Rolling Chair

Mrs. Wilson Gave Up Hope, Gains  
25 Pounds On Tanlac and Is  
Now a Well Woman

"For two years I spent all my time either in the hospital, in bed, or in a rolling chair, and during that time I was given up by all, and I don't guess I would be here now if it hadn't been for Tanlac," said Mrs. E. O. Wilson. Mrs. Wilson is well known in Atlanta, Ga., her husband having been employed by the Constitution for a number of years.

"I was a great sufferer from chronic indigestion," continued Mrs. Wilson, "and don't guess anybody ever had to go through with what I did. I was very weak and nervous, and at times had those dreadful smothering sensations to the point of fainting. I had dreadful headaches, severe pains in my back and over my kidneys and my joints ached all the time. For two years I had to live entirely on boiled milk, toast and soft boiled eggs, and even that didn't digest well, and would sour on my stomach. I didn't know what it was to get a good night's sleep. I took one kind of medicine after another until our house was almost filled with empty bottles, but instead of improving I was getting worse all the time. Finally they took me to the hospital for treatment, and I lay there for five long months, but even that didn't make me well. It was taking nearly every cent of my husband's wages to pay my doctor and drug bills—our drug bill alone amounted to \$14 or \$15 a month, and one doctor bill amounted to \$108.

"It looked like everything had failed to help me, and I had about given up all hope when one day my husband brought a bottle of Tanlac home with him and asked me to take it. He said he had been reading and hearing a lot of good things about it and didn't see any reason why it shouldn't help me. I was confined to my rolling chair when I began taking it.

"Do I look like an invalid now? I certainly don't feel like one, and I have actually gained twenty-five (25) pounds on eleven bottles of Tanlac, and feel as well as I ever did in my life. I can eat anything I want—such things as meat, turnips. Hard-boiled eggs don't hurt me a particle, and I sleep as good as I did when I was a girl in my teens. I can get about as well as anybody and just the other day I walked down town, and I am running around the neighborhood calling on my friends nearly all the time now. I haven't a pain about me. I believe I am the happiest woman in Atlanta, and I think I have a right to be. I think my recovery is almost a miracle, and everybody in our neighborhood thinks the same."

Tanlac is sold in Norway by A. L. Clark Drug Co., and in West Paris by S. T. White.

## NORWAY AND VICINITY

Mrs. Walter Stone has been suffering for a week from a cold.

A large crowd attended the dinner at Concert hall Friday, given by the ladies of the Universalist church.

George Stephenson, accompanied by Vivian M. Akers, spent the week end at the Stephenson camp at Wild River.

Mrs. Walter Bailey of South Paris is with her sister, Mrs. Howard Lasselle, assisting with the housework. Mrs. Lasselle and infant son have been under the care of Mrs. Flora Cummings.

The illustrated lecture on Maine by Principal Drew T. Harthorn of Colburn Classical Institute, at Norway Opera House Thursday evening was well attended. One hundred and sixty views presented a fascinating pictorial history of our state in its past and present condition. Its farms, water power, shipping, lumber camps, and quarries were fully illustrated. Educational facilities were given in full, and photographs of prominent men as ex-scholars of the Maine College campus were shown. Maine's scenic beauties were given prominence with many photographic slides showing our lakes, mountains, forests, sporting camps and large hotels. Principal Harthorn is an interesting speaker, presenting dry facts in an attractive form easily comprehended by the youngest listener.

As Others See Us  
A stranger judges this town mainly by its appearance.  
If it is clean, sanitary and inviting, he carries the good word afar. But if it is dingy and ill kept, he carries the bad record to even greater distances.  
We should have a reputation second to none—superior to many—but we will have only that which we carve out by our own efforts.  
Let's all pitch in and make this the cleanest and the brightest and the most progressive year in our history.  
Spring is the time to begin.

Members of the All Different Opinion Club took a snow-shoe hike about Norway and South Paris the first of the week. The girls made merry walking through slush and in places where rubber boots were more appropriate than "web feet." In this they all agreed. "The road was a punk place for snowshoes."

John Sanborn is home from the University of Maine and is visiting his parents, Mr. and Mrs. A. L. Sanborn, Beal Street.

Now is the time to dope on the date for ice to leave Lake Penesseewassee and real fishing to begin. Capt. Sanborn is getting into the harness and has everything ready to move his fleet when the glorious day arrives.  
Spring is here with the annual moving fever abroad in the land. Desirable tenements are in demand but are not found. The housing problem remains in dead lock here. The recently organized building association will find a solution at no late date.

Solon Downing returned Monday to his work at the Norway Cash Market after an absence of several weeks.  
The northern lights in an unusually brilliant and fantastic display attracted the attention of many observers between seven and eight o'clock Monday evening. Streamers with a greenish tinge shot across the heavens to the southern horizon and produced shapes like plumes, foliage, trees and other objects limited only by the observer's power of imagination.

Mr. and Mrs. Frank Richardson, formerly of Norway, have closed their farm at Monmouth which they have carried on the past year, and are in Auburn. Mrs. Richardson is employed at the Wood, Smith Shoe Co.

The engagement has been announced by Mr. and Mrs. Walter Winn of New York, formerly of Albany, of their daughter, Adelaide Terry, to Michael H. Winchester, son of Mr. and Mrs. Howard L. Winchester of Lincoln St., Manchester. Miss Winn is a member of the graduating class at Vassar college and Mr. Winchester is a student at the Mass. Institute of Technology. The item is of local interest as Mr. Winchester has spent several summers at Haystack Villa, Lake Penesseewassee and well known in Norway.

Capt. Mel Sampson had spring fever Monday and scoured the neighboring woods for game. Mel returned with two rabbits and the fever gone.

A brass band is being organized with Allie Cota of South Paris, director. Some fifteen players have signed their willingness to rehearse for pleasure and take a chance on profit later.

Carl Schenk, in attempting to make the trip over Pike's hill to the village, found hazardous traveling and his horse went in all over and he was obliged to call for help from the village. The next day Mr. Schenk brought his milk to the village with a hot sled.

Howard Maxim has leased the Hobbs stable, and after necessary changes are made will open a garage and repair shop. Owen Rich and Charles Seavey have bought the Will Sanborn stand on Beal street and will take possession soon. The Sanborns are packing their household goods preparatory to moving to Lowell, Mass., where their two daughters reside. Mr. Sanborn plans to remain in Norway during the summer and continue work at the Cummings grain mill.

Charles S. Penley, who suffered a slight shock the past week, went to the Soldiers' Home at Togus, Friday, where he plans to rest for a few days.

Mrs. Arthur Hebbard is spending several days at her cottage at Old Orchard. William H. Stone is out again with the Grand Union Tea Co.'s products. Mr. Stone has been housed with a bad cold for a number of weeks.

Albion L. Buck spent a few days this week on a business trip to Portland.

At the weekly boxing and wrestling bouts held at Camp Gymnasium, March 17th the wrestling champion of the camp, Pvt. Hammond, of the 13th Infantry, was challenged by a new arrival, Pvt. Carlton Young, who enlisted at Camp Devens, March 14th. He is the son of Mrs. Lillian M. Young of Lowell, Me.

Hammond announced that he would be glad to take on Young. If Young shows the same class as he has locally, a warm bout is in store for the soldiers next week. Both boys will no doubt represent the camp in the Northeastern Department Championship contests to be held in April.

## ESCAPED AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound. Many Such Cases.

Cairo, Ill.—"Sometime ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would faint. I was in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I thought I would try it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."

—Mrs. J. R. MATTHEWS, 3311 Sycamore Street, Cairo, Ill.

If you want special advice write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letter, and many others like it, amply prove that many operations are recommended when medicine in many cases is all that is needed.

## Three Drop Corn Killer

"Gets-It" Stops Pain Immediately and Cures Go Quick

The way to handle corns is the tried and proved "Gets-It" way—the way that millions have found quickest, easiest, safest and most reliable.

A few drops of "Gets-It" knocks the hurt out of any corn at once and soon loosens it so it lifts right off without any feeling. Oh, what comfort! How grand to walk and dance and jump without a single twinge! Why not?

"Gets-It," the never failing, guaranteed money-back corn remover, costs but a trifle at any drug store, M'F'd by Lawrence & Co., Chicago.

Sold in Norway and recommended as the world's best corn remedy by F. P. Stone.

LOVELL

Lincoln's Portrait by Douglas Volk. Friends of Douglas Volk will be interested in the following from the Linotype Bulletin: "Douglas Volk, the painter of the 'Lincoln' reproduced in this issue through the courtesy of the Detroit Publishing Company, is an American artist born in Pittsfield, Mass., in 1856. He studied in Rome and Paris, and his work is represented in many American galleries among them the Metropolitan Museum of Art (New York), the Corcoran Gallery (Washington), the Carnegie Museum (Pittsburgh), the Pittsfield (Mass.) Museum, and the National Museum (Washington). The St. Paul (Minn.) Capitol Building contains distinguished historical pictures from his brush. He has won many honors, such as the Shaw Prize awarded by the Society of American Artists in 1890, the Carnegie prize for the best figure composition by an American artist in 1901, the Salsus gold medal from the National Academy of Design in 1910, and the Proctor prize for the best portrait, awarded by the National Academy in the same year."

"Everything to make Harmony"

Executor's Sale of Real Estate by License

Pursuant to a license from the Hon. Judge of Probate for the County of Oxford, I shall sell by public auction to the highest bidder therefor, on the premises hereafter described, at ten o'clock in the forenoon of Monday, April 19, 1920, the homestead farm with the buildings thereon, situated on the southerly side of the road, leading through West Fryeburg to North Fryeburg in the town of Fryeburg, which were of Ezekiel W. Burbank at his decease. The said farm is bounded on the north by the road to the year 1920, which the purchaser must assume and pay. Said premises contain about 20 acres of land and three acres of upland.

EDWARD E. HASTINGS, Executor of the Will of Ezekiel W. Burbank.

Fryeburg, March 19, 1920. 13-15

Mr. John A. Grover of Waterford cut 289.70 worth of sweet corn from 1-1/2 acres on which he had applied Bowker's Fertilizer in connection with some stable manure. Bowker's Fertilizers, "For the Land's Sake" are sold by Arthur Tucker at East Waterford. adv. 10-14

## Woman Sick Two Years Tells How She Got Well

Miss G. I. Baird of 30 Glenville Ave., Allston, Mass., writes: "I have been sick almost two years, had four doctors with little or no relief. I was growing thin every day, went from 135 to 111. I was so discouraged, I didn't know what to do. One night, all at once, three weeks ago, I picked up a paper and saw your Dr. True's Elixir, Family Laxative and Worm Expeller, advertised. I made up my mind I had worms, and the next day bought a small bottle of Dr. True's Elixir. I was surprised at the result, stomach worms came a finger long, so much slime, that looked as though it was just the skin of worms. The day before I took Dr. True's Elixir, I thought I should go wild with the crawling in my stomach. I felt like a new person, all my friends say I look so much better, and I would have believed anyone could feel so much better in such a short time. I can't give your medicine praise enough."

Signs of worms: Offensive breath, swollen upper lip, sour stomach, deranged stomach, occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short, dry cough, grinding of the teeth, red points on the tongue, starting during sleep, slow fever.

Dr. True's Elixir, Family Laxative and Worm Expeller, is sold by ALL DEALERS.

ASSESSORS' NOTICE

The Assessors of the Town of Norway, Me., do hereby give notice to all persons liable to taxation in said town, that they will be in session at the Assessors' Office in said town, on the first day of April, at nine o'clock in the forenoon for the purpose of receiving lists of the polls and estates (taxable in said town). All such persons are hereby notified to make and bring to said Assessors, true and perfect lists of their polls and all their estates, real and personal not by law exempt from taxation which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1920, and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over. Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of his right to make application to the Assessor or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

### SPRING

When a man buys a car to-day the first important step is, to find the right garage in which to store it. He should not only consider the garage from the standpoint of storage, but from the point of view of service which that particular garage is capable of rendering. In the early days of Automobiles, the garage business was an experiment, to-day it is a study. Many garages have experimented in inferior grades of oils, greases, supplies and repairing and have failed. We study.
